Collection #: MSS 191
Name: Robert Lebby, Sr., M.D. Papers
Dates: circa 1845
Size: 1 volume, 1 folder
Processed: May 2007 by Jennifer Welch
Restrictions: None
Citation: Robert Lebby, Sr., M.D. Papers, MSS 191, Waring Historical Library, Medical University of South Carolina, Charleston

Biographical Note/Organizational History: Robert Lebby, Sr. was born in Charleston in 1805. In 1826 he graduated from the Medical College of the State of South Carolina. He went on to serve as a surgeon in both the Seminole War and the Civil War. He also served as Charleston’s city registrar and port physician for many years. Dr. Lebby practiced medicine in Charleston for more than 50 years. He married Elizabeth Esther Rivers, and the couple had eight children. Dr. Lebby died in Charleston in 1887.

Scope and Content Note: The Robert Lebby, Sr., M.D. Papers (ca. 1845, 1 volume) are a one-volume holograph and two items of correspondence. The volume contains Dr. Lebby’s recipes and prescriptions for illnesses such as dysentery and cholera, case histories from his practice, and news clippings from the Charleston Mercury. Subjects of the correspondence are yellow fever, and allowing a citizen’s committee to use the vacant portion of quarters.
