

Collection Name: Walter Haskell Harper College Notebooks
Collection #: MSS 963
Size: .4 cf. (16 notebooks)
Dates: 1913-1914
Processed: September 2008
Restrictions: None

Biographical Note:

Walter Haskell Harper was born September 3, 1893 in Harpers, later renamed Andrews, South Carolina. He attended the University of South Carolina and later the Medical College of the State of South Carolina from which he graduated in 1916. He died September 1930 in Gadsden, Alabama where he worked as the County Health Officer.

Scope and Content Note:

The Walter Haskell Harper College Notebooks consist of sixteen notebooks which were written between 1913 and 1914 Walter Haskell Harper when he was a medical student at the Medical College of the State of South Carolina in Charleston, South Carolina. The hand-written notebooks were kept for each subject Mr. Harper studied including: Anatomy, Dermatology, Embryology, Histology, Pathology, Physical Diagnosis, Surgery, and others. Each notebook contains lecture notes and personal notations. The notebooks reflect the curriculum and pedagogy of early 20th century medical education in South Carolina.

Citation form: Walter Haskell Harper College Notebooks, MSS 963, Waring Historical Library, MUSC (Charleston).

Note: Gift of Miss Anne Harper, 2008.
