Interviews.

Summary: Dr. Maria Buse joined the faculty of the Department of Medicine in the College of Medicine in 1957. In this interview Dr. Buse discusses topics ranging from her childhood in Hungary, medical training in Switzerland and Buenos Aires, Argentina, and emigrating to the United States. She recalls moving to Charleston with her husband Dr. John Buse, and describes her fifty-plus years of service to MUSC. She discusses co-founding with her husband the department of endocrinology, as well as the establishment of the Nuclear Medicine Department. Dr. Buse discusses her research interests, including diabetes,

insulin resistance and insulin receptor regulation, and other topics in endocrinology.
