Interviews.

Summary:

Isabel Lockard, PhD, joined the faculty of the Department of Anatomy in the College of Medicine in 1952. In this interview Dr. Lockard discusses a variety of topics ranging from her childhood, educational background, and her research interests. She describes how she became a neuroanatomist after beginning her career as a speech therapist. Dr. Lockard discusses the positions she held prior to joining the Medical College's Department of Anatomy and how they prepared her for her position at MCSC. She recalls her early days at the college, identifies and describes her colleagues, and discusses her teaching experiences.
