BIOGRAPHICAL NOTE

Kelly Tilson McKee was born March 9, 1916 in Bristol, Tennessee. He received his undergraduate degree from Emory and Henry College in 1938 and his medical degree from the University of Virginia in 1941. He completed an internship at the Cincinnati General Hospital in 1941-42 followed by a fellowship in Cardiology at the University of Virginia in 1942-43. He then served as a Medical Officer in the U.S. Navy for three years. In 1946, Dr. McKee returned to the University of Virginia as a fellow in Allergy followed by a resident in Internal Medicine. In 1948, McKee relocated to Charleston, South Carolina as the Chief Medical Resident and Teaching Fellow at Roper Hospital, joining the Medical College of South Carolina as Assistant, Associate, and Professor of Medicine from 1949-1987. From 1967-1970, he served as the acting Chairman of the Department of Medicine. McKee retired in 1988 but continued to work in the Department of Internal Medicine until 2003. Dr. McKee died on October 10, 2008.

SCOPE AND CONTENT

The Kelly T. McKee History of the Department of Medicine Collection, circa 1993-2007, 1.00 cubic foot, consists of 19 folders. The collection is from McKee's later years where he worked on writing a book regarding the history of the Medical University of South Carolina's Department of Medicine. It includes the bibliography, the book's chapters arranged in numerical order, and an article, *Curriculum of the Millennium*, by Vic Del Bene. The General folder in this series consists of notes and excerpts of chapters. Also included are McKee's digital files: compact discs, floppy discs, and copy of his hard drive saved to a compact disc. The digital files contain his saved writings and notes regarding MUSC's History of the Department of Medicine. The collection also contains one binder, MUSC's Department of Medicine Six-Year Review, which is separated into 4 folders. The review includes a brief history of the department as well as reports and recommendations of the four committees in regards to the Department of Medicine.
